ANNEXURE-I

STATEMENT OF ARTICLES OF CHARGES FRAMED AGAINST SRI G. KRISHNA REDDY, FORMERLY EXECUTIVE ENGINEER, P.R. DIVISION, JAGITIAL, KARIMNAGAR DISTRICT (NOW PRESENTLY WORKING AS SUPERINTENDING ENGINEER, PR, ONGOLE)

CHARGE:

That the said Sri G. Krishna Reddy, while he was working as Executive Engineer in P.R. Division, Jagitial, has committed certain irregularities in execution of work "Road from Kondapur to Oddad, Maidipalli (M)".

- (a) He recorded measurements with ante dates to facilitate the contractor for price escalation claims, for want of personal gain.
- (b) Due to deficiency in weight of Gr.III metal and over size in Gr.II and Gr.III metal layers, an amount of Rs.34,636/- (Rs. 22,385/- + Rs.12,251/-) needs recovery.

BASIS:

As verified by the Vigilance & Enforcement officials, the work "Road Kondapur to Oddad, Maidipalli (M)" was taken up under PMGSY Phase-V for Rs.169.72/253.00 lakhs and entrusted to M/s. Sri Sai Ram Enterprises, Jaigtial at (+) 3.69% excess over the estimate contract value (ECV). As per agreement, the actual date of completion is 06.08.2007 and the work was physically completed as on the date of inspection i.e. on 21.08.2008.

As verified from the records, LS 6th and 7th part bills were released on 05.01.2008 and 18.03.2008 respectively. But the measurements were recorded on the dates shown below:

BILL	DATE OF RECORDING	DATE OF BILL PAID
V & PART BILL		28.07.2007
GSB	11.06.2007	
WBM Gr. II	19.06.2007	
C.C. Work	25.06.2007	
VI & PART BILL		
WBM Gr.II	25.06.2007) 05.01.2008
WBM Gr.III	10.07.2007)
VII & PART BILL		
WBM & Gr. II	04.07.07) 18.03.2008
WBM Gr. III	16.07.2007)
OGPC + SC	18.07.2007)

As seen from the above particulars, if all the measurements were recorded prior to date of LS V & Part Bill, the quantities would have been included in LS V & Part Bill. But subsequently, LS VI & LS VII Part bills were also paid on 05.01.2008 and 18.03.2008 respectively without including the above measurements recorded prior to 28.07.2007.

As per the norms, measurements for any component of the work shall be recorded in M.Book, only when the work is executed as per the specifications to the satisfaction of the Engineer-in-Charge and payments shall be released accordingly. If any rectification is required, it shall be taken up by the contractor concerned at his cost during the defect liability period as per agreement conditions.

Even though measurements were recorded prior to agreement completion dates/EOAT and there was no paucity of funds, the same were not incorporated in the immediate subsequent bills for payment which indicates that the measurements were recorded with back dates to facilitate price escalation claims for the contractors.

This clearly indicates that the Delinquent Officer allowed and recommended payment for the measurements recorded with ante dates to facilitate the contractor for benefits.
